MS Patent Application  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The above-identified patent application is a division of application Serial No. 09/613,508, filed July 10, 2000. The sequence listing of the instant application is identical to the sequence content of the computer readable sequence listing previously filed in connection with Application No. 09/613,508, on July 3, 2003.

In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form filed in connection with Application No. 09/613,508 on July 3, 2003 as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is included in the specification of the instant application filed herewith. Applicants hereby certify that the paper

copy of the Sequence Listing filed herewith and the computer readable sequence listing filed on July 3, 2003 in connection with application Serial No. 09/613,508 are the same and do not include new matter.

Respectfully submitted,

Dated: March 17, 2004
